

### Features

- Measures in feet or meters
- Accuracy of  $\pm 0.5\%$
- Backlit LCD Display
- Ergonomically designed pistol grip for enhanced comfort
- Adds forward, subtracts in reverse
- Telescoping handle
- Internal memory stores up to 5 measurements
- Spring-loaded kick stand
- Includes soft carrying case and batteries

### Specifications

|                         |                                        |
|-------------------------|----------------------------------------|
| Measuring Distance:     | Up to 99,999.9 (m/ft)                  |
| Units of Measure:       | Meters, Feet                           |
| Accuracy:               | $\pm 0.5\%$                            |
| Resolution:             | 0.1                                    |
| Wheel Diameter:         | 12.5" (318mm)                          |
| Display:                | LCD                                    |
| Backlit Display:        | Yes                                    |
| Internal Memory:        | Yes (up to 5 data points)              |
| Low Battery Indicator:  | Yes                                    |
| Power Supply:           | 3 "AAA" Batteries                      |
| Product Certifications: | CE                                     |
| Operating Temperature:  | 14 to 113°F (-10 to 45°C)              |
| Storage Temperature:    | -4 to 122°F (-20 to 50°C)              |
| Dimensions:             | 28.3 x 12 x 2.8"<br>(720 x 318 x 70mm) |
| Weight:                 | 40.92oz (2.6lbs)                       |
